Authorization

I consent to the diagnostic procedures and dental treatment performed by my dentist, and to the release of information concerning my (or my child's) healthcare, advice, and treatment to another dentist, or for evaluating and administering any claims for insurance benefits. I consent to the direct payment of my insurance benefits to dentist or dental group and understand that my insurance benefits may pay less than the actual bill for services and that I am responsible for any services not paid or covered by my insurance benefits and any account balance.

ELECTRONIC COMMUNICATIONS. I consent to receiving HIPAA-compliant electronic communications, such as email and text messages regarding treatment, payment and health care operations. I understand that there is no obligation to receive these electronic communications. Message/data rates may apply, and I may opt-out of receiving electronic communications at any time. I attest to the accuracy of the information on this page.

PATIENT/RELATIVE HIPAA CONSENT

I understand that I have certain rights to privacy regarding my protected health information. These rights are given to me under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). I understand that by signing this consent I authorize you to use and disclose my protected health information to carry out: Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment). Obtaining payment from third party payers (e.g. my insurance company). The day to day healthcare operations of your practice I have also been informed of, and given the right to review and secure a copy of your Notice of Privacy Practices, which contains a more complete description of the uses and disclosures of my protected health information, and my rights under HIPAA. I understand that you reserve the right to change the terms of this notice from time to time and that I may contact you at any time to obtain the most current copy of this notice. I understand that I have the right to request restrictions on how my protected health information is used and disclosed to carry out treatment, payment, and health care operations, but that you are not required to agree to these requested restrictions. However, if you do agree, you are then bound to comply with this restriction. I understand that I may revoke this consent, in writing, at any time. However, any use or disclosure that occurred prior to the date I revoke this consent is not affected.

I,_____, understand that by signing this Consent form, I am giving my consent to Children's Dental & Orthodontics to disclose and discuss my protected health information to carry out treatment, payment activities and health care operations with the following family member:

CDO FINANCIAL POLICY

Children's Dental & Orthodontics, collectively known as "CDO" and affiliated companies are committed to providing you with the best possible care, and we are pleased to discuss our professional fees with you at any time. Your clear understanding of our Financial Policy is important to our professional relationship. Please ask if you have any questions about our fees, Financial Policy, or your responsibility.

- **ALL PATIENTS MUST COMPLETE OUR "PATIENT INFORMATION FORM" BEFORE SEEING THE DENTALPROFESSIONAL.**
- **FULL PAYMENT IS DUE AT TIME OF SERVICE.**
- **WE ACCEPT CASH, CHECKS, AMERICAN EXPRESS, VISA, MASTER CARD, DISCOVER AND CARE CREDIT.**
- **CDO PROVIDES INSURANCE COMPANY BILLING AS A COURTESY TO OUR PATIENTS. THE PATIENT PORTION OF PARTICULAR DENTAL SERVICE(S) IS ESTIMATED AND DUE AT THE TIME OFSERVICE.**

ADULT PATIENTS

Adult patients are responsible for full payment at time of service.

MINORS ACCOMPANIED BY AN ADULT

The adult accompanying a minor, his/her parents or guardians, are responsible for full payment at time of service.

UNACCOMPANIED MINORS

The parents or guardians are responsible for full payment at time of service. Non-emergency treatment will be denied unless charges have been pre-authorized to an approved credit plan, or to Visa, Master Card or Discover. We do not accept American Express payments for visits by unaccompanied minors.

INSURANCE

CDO provides insurance company billing as a *courtesy* to our patients. The patient portion of particular dental service(s) is estimated and due at the time of service. This amount may be subject to adjustment when the dental service(s) claim(s) are adjudicated by the insurance company. In addition, certain insurance companies have annual limitation for the amount of dental services that can be reimbursed within each plan year. If you or your family exceed these annual limitations in any plan year, you will be responsible for the full amount of dental services that exceed the particular plan's limitations. The patient is responsible for monitoring the amount of his/her remaining benefits for any annual benefit period. The patient may not rely upon any information provided by CDH staff regarding his/her remaining benefit in any such benefit period.

The claims we submit to insurance companies indicate that you have assigned those benefits to CDO. However, if you are paid by the insurance company instead of CDO, you then become responsible for the total account balance and payment would be expected immediately.

If you or your family has more than one dental insurance program, we will assist you in obtaining the maximum benefits available.

You as a patient are always responsible for any charges that are not covered by your insurance.

DELINQUENT PAYMENTS

It is our policy to charge finance fees at 1.5% for outstanding patient balances after the balance has been outstanding 30 days. In addition, all payments returned due to non-sufficient funds will be subject to a NSF fee of $25.00.

MISSED APPOINTMENTS

Unless cancelled at least 48 hours in advance, our policy is to charge for missed appointments at the rate of $35.00 per each 30 minutes of missed appointment time. Please help us service you better by keeping scheduled appointments.

Thank you for understanding and accepting our Financial Policy. Please let us know if you have any questions or concerns.

Initial Exam, X-Rays & Cleaning Informed Consent

Patient Name:_____ **DOB:**_____

Minor Child Consent

I, being the parent or guardian of _____

_____**(minor child name(s)), do hereby request and authorize the dental staff to perform necessary dental services for my child, including x-rays, nitrous oxide (laughing gas), administration of anesthesia, and any services deemed advisable by the doctor, even if I am not present in the operatory during the dental treatment. (**_____**)initial**

Permission to Treat

Because your child is a minor it is necessary to have signed permission from a parent or guardian. The signature affixed below authorizes examination and treatment as necessary and the use of procedures the doctor may deem necessary during the performance of dental services. Furthermore the undersigned accepts responsibility of any financial obligations incurred for treatment of this patient. Photos and other dental records of my child may be used for teaching or instructional purposes.(_____**)initial**

1. **Examinations & X-rays:** I understand that the initial visit will require radiographs in order to complete the examination, diagnosis and treatment plan. I understand that Children's Dental and Orthodontics will perform an examination, resulting in patient's diagnosis and a treatment plan. It is Children's Dental and Orthodontics standard of care to perform two examinations and two sets of dental x-rays twice a year, typically every 6 months *regardless of insurance frequencies, limits, and/or payment.* (_____)initial
2. **Dental Prophylaxis & Fluoride (Cleaning-healthy mouth):** I understand that this type of cleaning is preventative in nature and intended for patients with healthy gums, and is limited to the removal of plaque and extremely light tartar and stain from the tooth structures in the absence of periodontal (gum) disease. This type of cleaning ***prevents*** gingivitis and gum disease. Fluoride is a safe and effective adjunct in reducing the risk of caries and reversing enamel demineralization. (_____)initial
3. **Sealants-** are a thin coating painted on the chewing surfaces of teeth. Sealant is a safe and effective method of reducing tooth decay in the occlusal grooves and pits of posterior teeth usually the premolars and molars (_____)initial
4. **Changes in Treatment Plan(s):** I understand that during treatment, it may be necessary to change or add procedures because of conditions found while working on the teeth that were not discovered during the examination, with the most common being root canal therapy following routine restorative procedures. I give my permission to Children's Dental and Orthodontics to make changes and additions as necessary.(_____)initial
